RETURNABLE REELS

All reels, spools, and returnable pallets ("Packaging Material") are the property of Superior Essex® and must be returned to Superior Essex® or its designated agent at the location from which they came, unless otherwise specified.

Buyers are required to contact the Superior Essex® designated packaging return agents for specific instructions and arrange for pick-up of the Packaging Material.

To qualify for a pick-up, Buyer must either have a full trailer of Packaging Material, or 3 full pallets or gaylords of reels and spools. Superior Essex® will supply gaylords as requested.

Packaging Material will be picked-up within a maximum of 8 working days of contact with the designated packaging return agent. If you have any issues regarding service, please contact Superior Essex® Magnet Wire customer service.

The preferred method for storing Packaging Material must be indoors in a cool, dry place, and care should be observed in handling and shipping. If Packaging Material cannot be stored indoors, then it must be stored in an enclosed, protected container or trailer. Spools cannot be stored in direct sunlight at any time.

In the event these instructions are not followed for the return of Superior Essex® reels, Superior Essex® reserves the right to charge for any damages or costs incurred as a result thereof.

Superior Essex® reserves the right to charge for Packaging Materials not returned within 6 months of receipt or which are damaged as the result of improper handling or storage.
